## WOMEN'S GOLF ASSOCIATION OF BCC

*2015 Women's Golf Association of BCC*

The golf season is winding down and time is drawing near to begin planning for next year.

On August 30, the ladies played low net. Rita Robbins took the honors for the day. There was no ladies day on September 6 due to work on green aerification. On September 13, seven of the women traveled to Uniontown Country Club for an outing with Mountaineer League. On September 20, the ladies played "Mutt and Jeff". Counting only the five longest and four shortest holes, Kathy George had the low net score. On September 27, the ladies competed for low putts. Tina Peterson won for the 9-hole group and Mary Ann Renzelli won for the 18-hole group.

The handicap tournament was completed on September 27 when Caroline Ramsey and Barb Riggleman competed in the final pairing. Barb took the match as she was four up with three holes to play. Congratulations to both for a great tournament finale!

On October 4, the ladies will play a 9-hole scramble, have a luncheon and a short meeting to wrap up the season. Yearly awards will be given out that day.

## From the Superintendent

It has been another challenging year, dealing with the weather. It has been unseasonably HOT longer than normal into fall. Last year at this time we had turf areas that had almost recovered from summer stress, this year it hasn't started yet and we are into October. Due to the stressed turf we have changed our cultural practices to avoid over stress. We did not pull plugs on greens this fall but plan to use a solid tine to relieve compaction on the greens, plan's to do this are mid-October.

In closing please repair your ball marks and look for others that have been missed.
