From the Club House

We hope everyone had a fantastic holiday season! December was a very busy month for food and beverage and we appreciate everyone taking advantage of our banquet facility! The calendar was packed full of scheduled events.

Now is the time when things wind down a little but we hope you will continue to come out and enjoy fine dining in a nice relaxed atmosphere. This is your club so come out and make the most of it during the cold winter months. Enjoy dinner with family and friends or maybe you have a special occasion that needs catered. Be watching for fun events that are being planned and we are putting together a new and improved menu for your enjoyment as well.

On a side note, Deanna will no longer be working with us in the kitchen. We are sad to see her go, but Neil (pictured left) will be taking over her position and we are all excited for him to use his culinary skills here at the club!

We look forward to serving you and making your experience here a pleasurable one!

Have Your Next Family or Company Event Here!

Many businesses are utilizing the banquet room for luncheons, meetings and parties, as well as athletic teams holding their banquets. Let us know if we can accommodate your company's needs. With 2016 upon us it's never too early to start planning your summer family reunions or next family Birthday at the Club. Also, don't forget catering – we can help with your parties for the NFL playoffs!
