## FROM THE SUPERINTENDENT

The 2016 Golf Season is approaching and we will be in full swing soon. The course has recovered well from last summer's weather conditions we had. At this point I do not see any major problems. We should come out of winter in good shape. We will be working on the new greens to improve the root structure thru aerification and topdressing, throughout this season. Please bear with us as we will try to keep disruption to a minimum.

Please remember your golf etiquette this coming golf season.

See you on the course.

Steve

So get your poles ready and come enjoy a fun filled day of fishing, then enjoy lunch around noon, with the Easter Egg Hunt and games in the afternoon. The festivities start early on **Saturday, March 19.**
