## From the Club House

September was a busy month for food and beverage. Every weekend was filled with birthday parties, weddings, showers, homecoming and company parties.

During the month of October we will be hosting more of the same.

Now that football season is in full swing, keep us in mind for all of your tailgating needs. We can make trays for all occasions. Wings, wraps, pizzas...you name it!

I'd like to introduce Darcy Closson. She's our new pastry chef and will be preparing delicious desserts for your enjoyment. We have featured a few on Friday nights including graham cracker pies, apple pies, cheesecake and coconut cream cake, but there are many more! Keep this in mind as we head into the holiday season. She will be happy to make your holiday favorites for you! She will also be making our cookie trays this year and they are sure to be crowd pleasers.

We have had a great response to our Dock to Table partnership bringing fresh seafood to you. We will have selections available weekly and look forward to serving new delicious specials for your enjoyment.

We look forward to serving you here at your club!

## WOMEN'S GOLF ASSOCIATION OF BCC

Due to inclement weather and golf course closures, the Women's Golf Association did not golf on Tuesdays during the entire month of September. We are anxiously looking forward to better weather for golf in October.

The group held their 9-hole event and luncheon on Tuesday, October 2nd. Six women participated in the 9-hole event, a shamble counting the two best balls of the group. After lunch, awards were presented.

Pro Shop gift certificates went to Club Champion, Caroline Ramsey; First Flight winner, Lauren Ramsey and Second Flight winner, Pam Payne. Cindy Davis was awarded the WV Pin along with the President's Cup honors. Pippa Blundell was the most improved golfer from the red tees with a 27 stroke improvement. Kathy George was the most improved golfer from the silver tees with a 33 stroke improvement. Winning most pars with 13 was Kathy George. There was a three-way tie for most birdies (2) between Rita Robbins, Kathy George and Jamie McDevitt. Those receiving golf balls for weekly events (number in parentheses) were: Cindy Davis (5); Rita Robbins (4); Pam Payne (2); Mary Ann Renzelli (2); Gloria Hawkins (2); and Kristen Queen and Jamie McDevitt (1).

Due to the inclement weather, our handicap tournament has not been completed. Caroline Ramsey and Haeley Harman are still in competition and will be playing shortly to determine the winner.

## Board Report

Dear Bridgeport Country Club Members:

September has been a good but wet month for us. We have hosted some golf outings and continue to bring service to you our Members. As soon as the Pool closed we shut down and had inspected for leaks. We believe the Kiddie Pool leak is repaired. The main pool is leaking at the joint of the Fiberglass and concrete all around the pool. Leak Detectors feels we need to dove tail this out and seal to save water for next season. We are planning this repair for Spring 2019.

The new Window installation over our Pro Shop is close to finished. Mike Stewart is the contractor and doing a good job for us. Thanks go out to our Golf Shop, Golf Maintenance, Clubhouse Food & Beverage and Pool Staff. Tennis Lessons are by Brandi Richmond and our new Pickle Ball courts are being utilized.

This has been a tough first year for our new Golf Course Superintendent Shawn Jeffries and he has performed very well. Please give him a thank you if you see Shawn. He plans to aerify Tees and Fairways soon as the course is drier.

Please help our beautiful course by replacing divots in Fairways and on Tees. Proper repair of Ball Marks on Greens will keep them smoother for the next player so please use good Golf Etiquette. Reminder to use cart trails where provided and keep them 30 feet from our greens.

Regards,

Mark Cantrell

President, BCC Board of Directors
